## **The Blue Mountains Attainable Housing Corporation Seeking Volunteer Board Member**

---

The Blue Mountains Attainable Housing Corporation (BMAHC) is seeking applications in the form of letters of interest and resumes from members of the public for appointment to The Attainable Housing Corporation Board of Directors.

The Board's composition is a 9-member volunteer Board of Directors, of which 8 Directors have been previously appointed. The Board is currently seeking to fill the remaining vacancy with a volunteer who is willing to share their real estate development experience and their passion to address the housing market affordability gap for the growing and underserved middle-income families and individuals in our community

In the letters of interest and resumes, applicants are encouraged to include background information and any special qualifications or interest related to attainable housing. The Attainable Housing Corporation is seeking an individual with a financial background, although all interested individuals are encouraged to apply. Previous applicants will also be reconsidered at this time. Successful applicants should be prepared to participate in daytime and evening meetings at least once monthly and commit enough time to read meeting materials in advance of the meeting.
